

AKASH RAJ S K

ELECTRONICS AND COMMUNICATION ENGINEER

Final year ECE student passionate about robotics, ROS 2, embedded systems and AI integration. I build practical technologies that fuse hardware, software and automation to solve real-world problems — from humanoid robots to smart mobility and safety systems, with a startup mindset.

AREA OF INTEREST

- ★ Embedded System Design
- ★ Robotics Middleware (ROS 2)
- ★ Real-Time Embedded Systems
- ★ IoT & Sensor Integration
- ★ Hardware System Architecture

TECHNICAL SKILLS

- ★ Python, C, C++, PHP
- ★ ESP32, STM32, Arduino, RPi
- ★ ROS 2, Gazebo, RViz
- ★ HTML, CSS, JavaScript
- ★ Networking, Communication protocols
- ★ ML, DL, Computer Vision

SOFT SKILLS

- ★ Effective Technical Communication
- ★ Adaptability to Complex Systems
- ★ Calm Under Pressure
- ★ Clear Logical Thinking
- ★ Analytical Problem Solving

LANGUAGES

- ★ English
- ★ Tamil
- ★ Hindi

EDUCATION

Mepco Schlenk Engineering College, Sivakasi

Bachelor of Engineering 2023-2027
CGPA : 7.6

Alwin Memorial Public School, Selaiyur

Higher Secondary Certificate 2022-2023
PERCENTAGE : 89.8%

COURSES & CERTIFICATIONS

- VI Microsystems Internship (Embedded)
- ROS 2 Workshop — TCE
- NPTEL: IIoT 4.0, PCB Design, HCI, IoT
- Fundamentals of Networking (Udemy) — In Progress
- Machine Learning using Python (Infosys Springboard) — In Progress
- Artificial Intelligence Workshop — Attended

ACADEMIC PROJECTS

CYRA (AI Tutor Robot):

Designed a ROS 2 based humanoid AI tutor integrating APIs for scheduled teaching, interactive doubt solving, and intelligent educational assistance.

SAFERIDE:

Developed an embedded accident detection and prevention system using ESP32, GSM alerts, helmet verification, and real-time sensor monitoring.

ACHIEVEMENTS

- 2026 ● Runner-up, Hackfest 2K26 (36 hour hackathon) in MKCE, Karur, under SDG-4
- 2025 ● Winner, SSN Robotic Competition
- 2024-26 ● Achieved multiple podium finishes at 7+ national symposiums
- 2023-26 ● Member in Consumer club, IETE, Fine Arts Club
- 2025 ● Runner-up, Fiesta Juniors (Solo Singing)
- 2025 ● Second Runner-up, Fiesta Se (Solo Singing)
